

## STUDENT CARE

At Excel English we put our students at the centre of everything we do. We know that our group leaders have a great deal of responsibility in bringing their students to London and ensuring they have a great time, but also that they return home safely. This is why we put a lot of emphasis on helping you both before you arrive and while your group is here with us in North London.

We will –

- help you decide on the course and accommodation which is best for your group.
- put together a programme which maximises the amount your students see and do and is within your budget.
- meet your group at the airport and make sure the transfer to your accommodation goes smoothly.
- give you and your students a thorough induction to the school and living in London and our unique Excel English Welcome Pack.
- include a **free** sightseeing trip on your first afternoon
- provide everyone with a student card with accommodation details and 24 hour emergency numbers
- work closely with you to make sure your students are happy, enjoy their lessons, and have a great experience in London.

We are looking forward to welcoming you to Excel English and London!
