## CULTURAL ACTIVITIES

At don Quijote we believe that learning a language is so much more than just grammar and memorization. In order to master non-verbal communication as well as oral communication it is necessary to have a solid understanding of the culture. In order to achieve this, don Quijote offers complementary theoretical and practical courses and workshops in order to introduce students to a wide range of cultural activities and situations. These cultural lessons may include movies, writing, specific discussions about communication topics, and other cultural activities such as singing or dancing.

don Quijote also organizes weekend excursions to surrounding cities and attractions that vary by school and location. Additionally, the school organizes language exchanges called "intercambios" between students and native speakers to practice language skills outside the classroom.

## CERTIFICATE OF COMPLETION

Upon finishing a course, students who have attended at least 85% of their classes will receive a certificate detailing the course duration, subjects, hours and course level. Students from the United States will receive results adapted to the American grading system.

## OUR SYLLABUS

# INTENSIVE SPANISH

## 10+5, 20+5 OR 30+5 CLASSES OF SPANISH WEEKLY

Intensive courses are perfect for students of all ages who wish to learn as quickly and efficiently as possible through constant interaction. Students will learn how to use grammar in context through a wide range of activities including: reading, discussions, conversations, viewing documentaries, listening to songs, watching films, etc.

In the Intensive Spanish course (20 classes + 5 complimentary cultural classes weekly) you will have 4 Spanish classes daily, 20 weekly, from Monday through Friday in small groups of 8 students or less. For students who want to go the extra mile and advance as quickly as possible, both in terms of grammar and communication skills, then we recommend the Super Intensive Spanish course (30 + 5) which consists of 6 daily classes for a total of 30 a week. If you already have a solid base of Spanish and are interested in simply practicing all forms of communication, then the Spanish Conversation (10 + 5) course will provide 2 hours daily of solid communication building skills such as listening, speaking and writing.

Each class will take you one step closer to your ultimate goal: communicating with confidence in Spanish. For this reason, we integrate a variety of skills in the classroom, and combine diverse tasks and activities in which the student is the main protagonist. Our unique interactive teaching method insures continual participation and active learning.

We know that excellent teaching alone does not guarantee the success of a student in a language course. We believe that understanding the local culture is an integral part of a student's success. It is for this reason that we emphasize our "Formula + 1" method which offers students the opportunity to participate daily in a complimentary class or activity covering a topic of cultural interest. This means that all Intensive Spanish courses include an additional +5 cultural classes a week for free!

**Duration:** 1 – 52 weeks  
**Destinations:** All don Quijote schools  
**Spanish level:** All levels  
**Frequency per week:** 10, 20 or 30 Spanish classes + 5 cultural classes  
**Participants per group (maximum):** 8 students
