# Campus *Life*

## **New York City—A Part of Our Campus**

At Monroe, we like to think of New York City as part of our extended campus. Both our New Rochelle and Bronx campuses are just a thirty-minute train ride from Grand Central Terminal in Manhattan, which means that our students are able to take advantage of all the cultural, academic, and professional resources that the Big Apple has to offer.

The Student Activities Office makes sure to take advantage of Monroe's close proximity to New York City with trips to museums, plays, and athletic events—though our campuses have a lot going on in their own right. Each semester, students can enjoy on-campus events like movie night, Welcome BBQs and Ice Cream Socials, a 'Relaxation Zone' during finals or be part of one of our fifty student clubs.

# Athletic

Monroe's highly competitive varsity athletic teams and clubs are an important part of campus life. National champions, regional champions and division champions—our athletes have been very successful over the past ten years. Many of these teams can be seen playing in the Monroe Athletic Complex, nicknamed the MAC, located just a few minute walk from our dormitories.
